DUBAI SOUTH

A Canvas for Living

by EVERA

Why Dubai South

Dubai South the city of the future, thoughtfully master planned around Al Maktoum International Airport spans an impressive 145 square kilometers. This visionary development offers a seamlessly integrated lifestyle, blending residential, commercial, and recreational spaces within a vibrant, sustainable community.

With its focus on innovation, connectivity, and smart urban living, Dubai South is fast emerging as one of Dubai's most dynamic and promising destinations.

Evera Development has been shaping Dubai's skyline for nearly two decades, with a commitment to delivering projects that go beyond construction and create true communities. With 19 years of expertise, 16 high-rise buildings completed, and over 1,400 apartments commissioned, Evera combines smart design, modern conveniences, and natural elements to redefine urban living. Guided by innovation, quality, and trust, we focus on building environments where people not only reside but truly thrive, offering homes that inspire pride and long-term value.

A vibrant rooftop playground scene. In the foreground, a young girl with dark hair in pigtails, wearing a white t-shirt and brown overalls, sits on a swing, smiling at the camera. She is wearing white socks and white sneakers. Behind her, another child is swinging. To the left, a large red slide with a transparent tunnel section is visible. The ground is covered in a colorful safety mat with yellow and orange stripes. In the background, a city skyline with several high-rise buildings is visible under a bright blue sky with scattered white clouds. A low wall with orange flowers runs along the right side of the playground.
